GIVING

Magic only exists when it is shared. Magic is strongest when you use it consistently and when you use it to make others happy.

BE A STAR

★ Be generous. Give without expecting anything in return.

★ Be Creative. Customize your magical gift to each individual. Give them a fun memory.

★ Be Humble Don't brag. Give your gift and let it stand on its own.

Be ready to share a magic trick everyday. Always have some magic you can give.

Karate Clip

Effect: A paper clip is caught and bent around your finger in mid air

Secret: There are two paperclips. One is hidden on your index finger on your right hand

Preparation:

1. Bend a paperclip around your index finger.
2. Keep the paperclip on your finger hidden

Presentation:

1. Explain you've discovered a secret Karate move. You have learned to hit steel will bend around your finger in mid air.
2. Pull out a paperclip from your pocket with your left hand. Tell you spectator to watch carefully.
3. Throw the paperclip in the air and grab it with your right hand. As you grad the paper clip stick out your finger with the paper clip on it. It will look like you stuck your finger through the paper clip.

WHAT TO SAY

How did you do that?

I promised not to tell. You won't want me to beak a promise would you?

Can you do that again?

A magician never does the the same trick twice but I can show you some thing else.

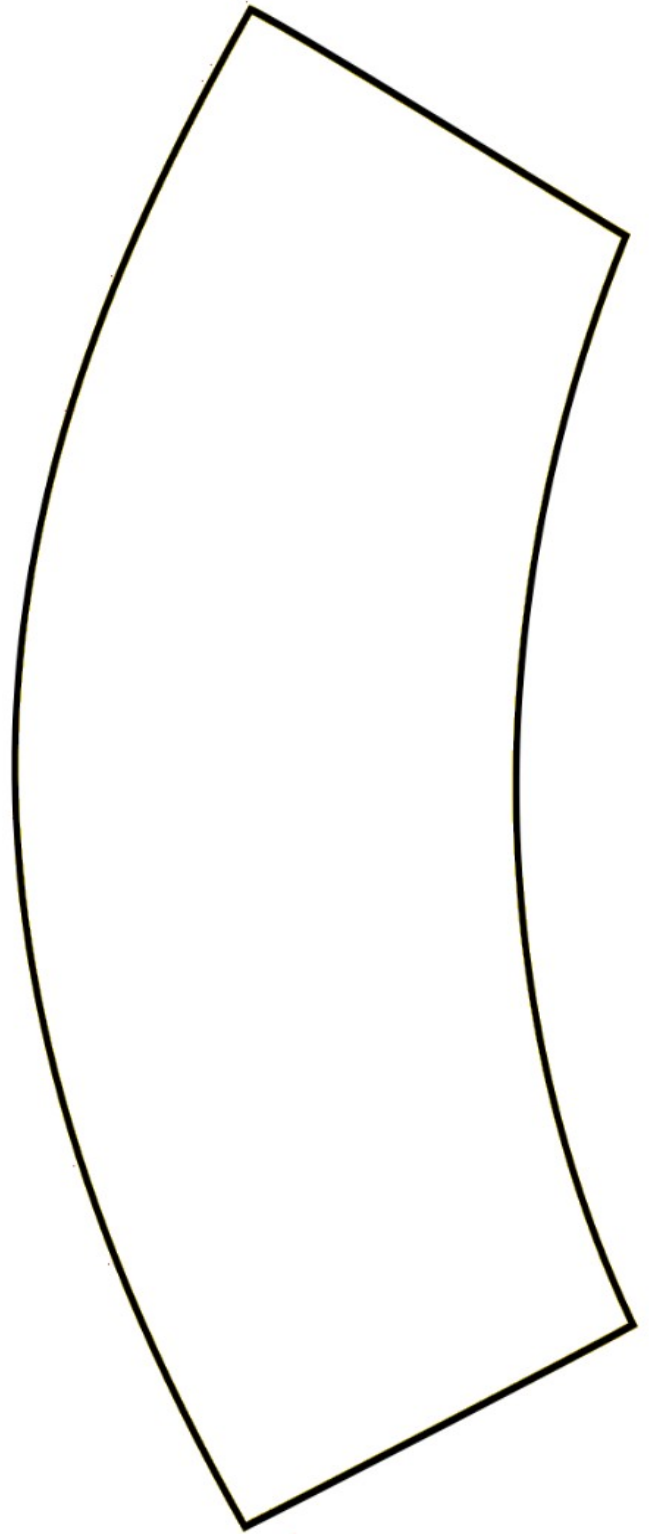

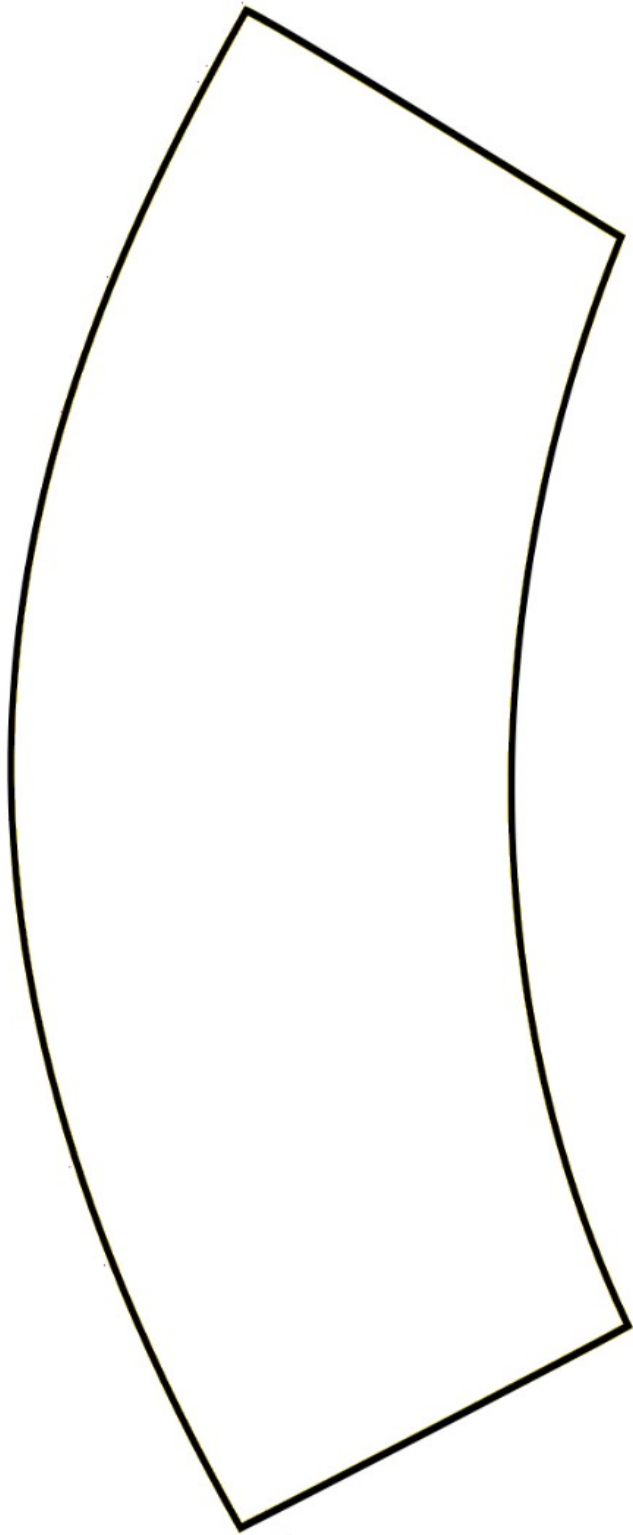

I know how that's done!

"That's awesome! Would you mind whispering to me because I can't figure it out.
