

# Prepare for Session 4

## Materials for Next Time

### *You Will Need*

- Tricks from this and previous class
- Print out the following sheets
- 1 regular silver spoon
- 2 plastic straws

# YOU CAN BE MAGICAL

**M** MINDFUL OF OTHERS

**A** ADAPATABLE

**G** GIVING

**I** INTEGRITY

**C** CREATIVE

## INTEGRITY

Magic can only happen when you are trusted. When others trust you they suspend disbelief and follow you on a magical journey.

## BE A STAR

★ Be someone other can count on. When you say you will do something, others will consider it a good as done.

★ Be honest. Don't try to make others think you have supernatural powers.

★ Be quick to correct your mistakes. Say your are sorry and try to make it right.

Practice a trick with someone you trust. Ask for advise one what you can do better

# CHALLENGES

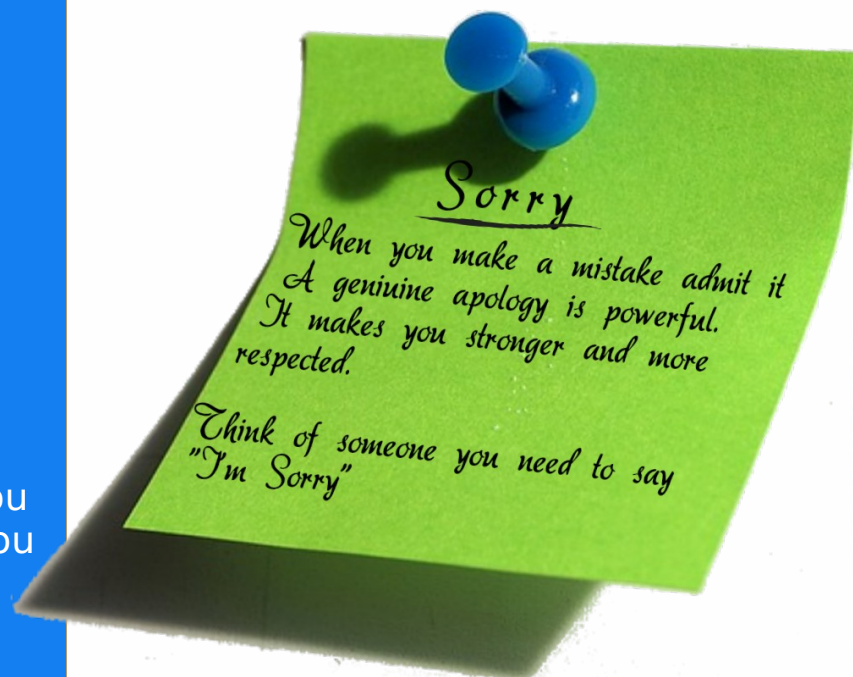

## HOCUS POCUS CAN YOU FOCUS

Grab a pencil and paper and sit at a table

The challenge is to write the word Magic while moving your foot in a circle. Try moving your right foot clockwise in a circle and then start writing.

## BALLOON HACKY SACKY

With a Balloon try to keep it in the air without using your hands. Use only your head feet and knees. This is like hacky sack only with a balloon.

# *The Magical Arts*

## **Tricks to Learn**

### **This Session**

- 1) Test Results
- 2) Twisted Straws
- 3) Spoon Bending
- 4) French Drop

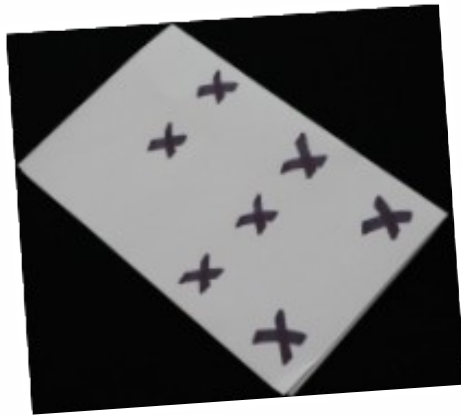

# My Test Results

## Making Instructions

### You Will Need

- The Test Results sheet printed out

### Step 1

Fold the Test Results sheet in half so all the X's are showing on one side.

### Step 2

Fold the Test Results sheet in half one more time so there are 5 X's on one side and 2 X's on the other side.
